SATURDAY EVENING, JULY 23.

A PATHETIC TALE.—Thomas Abbott, of St. Louis, recently disappeared. He is about 30. His family live in New York and are wealthy. He was educated for the Methodist ministry and had a church in Canada. He married a girl whose home was near Toronto, and by his marriage he displeased his family and as a result was cast off. He came to St. Louis with his bride about five weeks ago and got a job as a silver plater, having learned the trade before he became a preacher. They struggled along in poverty and distress until about ten days ago, when the woman died as the doctor said, from cholera morbus. Next day the husband found a letter written by her before she died, in which she declared her intention of taking her life by poison, and begging him to follow her. The letter was a lengthy and pathetic one, setting forth all their trouble and accusing herself of being the cause of it all. The second day after her death he disappeared, and the next day his employer got a letter in which he declared his intention of following his wife. With his letter he inclosed his wife's last epistle. The employer, who says he knows Abbott's people in New York, thought he would keep the matter quiet in the hope that Abbott had not taken his life, but, yesterday, he changed his mind and the matter was given to the police. There seems to be no doubt that the woman committed suicide and indications certainly are that her husband followed her.

TWO MEN KILLED BY LIGHTNING.—A bolt of lightning struck a small row boat in Princess Bay, Staten Island, during a squall yesterday afternoon and instantly killed Michael J. Dixon and John P. Ryan, of New York. The two men had gone fishing in company with Isaac Smith, the bath house keeper at Princess Bay. Smith was knocked unconscious and remained so half an hour. On recovering his senses he saw Ryan's dead body hanging over the boat's side; the body was absolutely nude. The body of Mr. Dixon has not yet been recovered. Dixon was a well-known ice cream manufacturer and Ryan was the proprietor of an ice cream saloon.

Every Woman Knows Them.
The human body is much like a good clock or watch in its movements; if one goes too slow or too fast, so follow all the others, and bad time results; if one organ or set of organs works imperfectly, perversion of functional effort of all the organs is sure to follow. Hence it is that the numerous ailments which make woman's life miserable are the direct issue of the abnormal action of the uterine system. For all that numerous class of symptoms—and every woman knows them—there is one unfailing remedy, Dr. Pierce's "Favorite Prescription," the favorite of the sex.
